Nutrisystem plans with “Most Days Covered” deliver Nutrisystem[®] breakfasts, lunches, dinners and snacks to fuel your weight loss most days of the week. You will also get to add in Flex Meals each week—2 Flex breakfasts, 2 Flex lunches, 2 Flex dinners and 4 Flex snacks. Flex meals and snacks are healthy home- and restaurant-made meals that will replace some of your Nutrisystem[®] meals and snacks. These meals are a great way to learn healthy habits and to help set you up for long-term success!

Keep in mind: If your Nutrisystem plan includes the Fast 5 jumpstart week, you will want to use the Fast 5 Sample Meal Plan for your first week and this sample meal plan beginning in your second week.

On the Men's Partner Plans, Hearty Inspirations[®] entrées are included in the plan as a dinner option only. If you choose to eat as a lunch option, you will need to adjust your meal plan to eat a Nutrisystem[®] lunch at dinner.
