SAMPLE MEAL PLAN

for 7 Days of Your Plan!

NUTRISYSTEM COMPLETE FOR WOMEN

with Flex meals and Hearty Inspirations™ dinners

1200 – 1299 Calories

If you're ready to start Nutrisystem, you've come to the right place! This Sample Meal Plan provides detailed, day-to-day examples of how to complete your Nutrisystem meal plan for seven days, which will include Nutrisystem meals and snacks, plus fresh grocery food add-ins we refer to as PowerFuels, SmartCarbs, Vegetables, Extras and Free Foods.

The meal plan is designed to show you what 7 days on the program will look like. Feel free to make it your own! You can swap out any of the suggested grocery food add-ins for others that you enjoy – just be sure to follow the Nutrisystem program guidelines for PowerFuels, SmartCarbs, Vegetables, Extras and Free Foods. Scan the QR code below to access the Nutrisystem Grocery Guide for more details and examples of add-ins, or visit the Leaf at:

GROCERY GUIDE: Take the guesswork out of the fresh grocery add-ins. Learn more about PowerFuels, SmartCarbs, Vegetables, Extras and Free Foods.

Nutrisystem plans allow you to choose the number of days' worth of Nutrisystem meals you receive each month. Plans that provide less than 7-days' worth of Nutrisystem foods include Flex meals. Flex meals and snacks are healthy home- and restaurant-made meals that will replace some of your Nutrisystem meals and snacks with your own grocery food add-ins. Don't worry! We provide guidance to help you learn how to make your own healthy and balanced meals using the suggested grocery food add-ins. These meals are a great way to learn healthy habits and help set you up for long-term success!

This meal plan is designed to include Nutrisystem meals to cover 5 days of your week, with Flex meals covering the remaining 2 meal and snack occasions. If your plan includes fewer days' worth of Nutrisystem foods, you may need to substitute more of the Nutrisystem meals in this sample meal plan with your own Flex meals and snacks. We recommend spreading your Flex meals and snacks out throughout the week, rather than eating them all on the same day. And, if your plan includes 7 days of Nutrisystem foods, you will not need to add in Flex meals or snacks because we've got you covered for every day!

Keep in mind: If your first week of the Nutrisystem plan includes 7 in 7, you will want to use the 7 in 7 Sample Meal Plan for the first week and this sample meal plan beginning in your second week.
